***Dress code:** Our dress code is aimed at making camp as distraction-free as possible. With that in mind, we ask everyone to abide by our current policy: We understand that within the Christian faith there are many opinions on appropriate styles and behaviors and we do not want to be legalistic. We also do not want to offend others or cause CEF young people to focus on behaviors their parents would not agree with. No immodest clothing - no midriff showing, no short shorts (should reach fingertips when arms are hanging), no holes in clothing, no low necklines (cleavage showing), or bra straps showing. There are many variations of skinny pants (spandex, leggings, yoga pants, jeggings). Our concern is that our students dress modestly by covering their bum. Over leggings, a top or skirt must reach mid-thigh. All students should dress neatly in clothes that are not ripped or ragged.

****Money at camp:** We suggest no more than \$25 for Snack Shack. All cash above \$25 will be collected and held until the end of camp. If camp fees are not paid any cash above the \$25 for Snack Shack will be applied towards the student's balance.
